

IPPC –CIHEAM of Bari short-course on Developing Phytosanitary Capacity

CIHEAM of Bari, Italy
28 May – 8 June 2018

Timing	Lectures & activities
Day 1: Monday 28th of May	
9.00	Welcome A. M. D'Onghia <i>CIHEAM Bari</i>
9.15-13:00	Plant Quarantine: General principles M. Digiario <i>CIHEAM Bari</i>
Day 2: Tuesday 29th of May	
9:00-13:00	EPPO measures F. Petter <i>EPPO</i>
Day 3: Wednesday 30 of May	
9:00-13:00	Certification of plant propagating material A. M. D'Onghia
13:00-14:30	<i>Lunch</i>
14:30-16:30	Pest Monitoring programmes A. M. D'Onghia
Day 4: Thursday 31st of May	
8:15-16:00	Visit to the Premultiplication Center of Fruit Trees Demonstration of sampling for pest monitoring (CRSA in Locorotondo) A.M. D'Onghia, F. Valentini, D. Frasheri <i>CIHEAM Bari</i> <i>Pack lunch</i>
Day 5: Friday 1st of June	
9:00-9:15	Welcome & introduction S. Brunel <i>IPPC Rome</i>
9:15-9:45	Film on the IPPC S. Brunel
9:45-10:30	Understanding the International plant protection Convention (IPPC) S. Brunel
10:30-11:00	<i>Break</i>
11:00-12:40	Overview of International Standards and their potential implications for international trade S. Brunel
12:40-13:00	Participation in Commission on Phytosanitary Measures activities S. Brunel, <i>NPPO officers</i> http://phytosanitary.info/sites/phytosanitary.info/files/cpm-participation-guide-en/index.html
13:00-14:30	<i>Lunch</i>

14:30-15:00	Presentation of group topics S. Brunel
15:00-15:30	Establishing a National Plant Protection Organization, International Framework for the Application of Phytosanitary Measures S. Brunel
15:30-16:00	<i>Coffee Break</i>
16:00-17:00	Seminar: A successful story of a former student of CIHEAM-IAMB in the framework of international phytosanitary measures M. Gatt <i>Ministry for the Environment, Sustainable Development & Climate Change, Malta</i>
Day 6: Saturday 2th of June	
9:00-11:00	Written Exam : Plant quarantine, Pest monitoring programmes & Certification of plant propagating material
Day 7: Monday 4th of June	
9:00-10:30	Presentations of the National Plant Protection Organization and their operations NPPO officers
10:30-11:00	<i>Break</i>
11:00-13:00	Phytosanitary import and export activities S. Brunel, NPPO officers
13:00-14:30	<i>Lunch</i>
14:30-15:30	Surveillance activities and pest reporting S. Brunel, NPPO officers
15:30-16:00	<i>Break</i>
16:00-17:00	Presentation of the outbreak of <i>Xylella fastidiosa</i> in the Apuglia region and measures undertaken A. M. D'Onghia
Day 8: Tuesday 5th of June	
9:00-10:00	Delivering phytosanitary diagnostic services S. Brunel, NPPO officers
10:00-10:30	Pest Risk Analysis S. Brunel, NPPO officers
10:30-11:00	<i>Break</i>
11:00-13:00	Market access S. Brunel, NPPO officers
13:00-14:30	<i>Lunch</i>
14:30-15:30	Stakeholders involvement in phytosanitary activities and stakeholders analysis S. Brunel
15:30-16:00	<i>Break</i>
16:00-17:00	Technical assistance for countries: understanding the Phytosanitary Capacity Evaluation tool S. Brunel
Day 9: Wednesday 6th of June	

9:00-17:00	Visit to the outbreak area of <i>X. fastidiosa</i> in Apulia A.M. D'Onghia
Day 10: Thursday 7th of June	
10:00-10:30	Presentation skills S. Brunel
Rest of the day	Group work
Day 11: Friday 8th of June	
9:00-13.00	Oral exam: Groups will present the outcome of their work, as 1 hour presentation including questions accompanied by a report assessed by the trainers. S. Brunel
13:00-14:30	<i>Lunch</i>
14.30-15.30	Oral exam: Groups will present the outcome of their work, as one hour presentation including questions accompanied by a report assessed by the trainers (continued) S. Brunel
15.30-17.00	Final wrap up S. Brunel, A.M. D'Onghia, D. Frasheri
