BLUE & GREEN

“Boosting Local authorities’
Understanding of coastal Economy
& Growing Regenerative Enterprises
in the Ecosystem Network in Dakar
and Kampala” (Blue & Green)

Countries:

**SENEGAL
UGANDA**

Project Objectives:

Strategic guidelines and vision are shared for improving the services of urban utility related to waste management and Blue Economy good practices, strengthening the connection between local communities and Institutions. Dakar and Kampala municipalities will acquire knowledge and competence about sustainable development and waste management involving local communities of the coastal and urban area: Best Management Practices. The municipalities increase skills on sustainable waste management and entrepreneurship promotion. Attention is given to the Italian political, institutional and operational guidelines as a tool for conflict prevention, management and resolution in Africa according to the priorities of the Italian Ministry of Foreign Affairs and International Cooperation/Directorate General for Global Affairs (MAECI/DGMO).

Funding:

Italian Ministry of Foreign Affairs and International Cooperation/Directorate General for Global Affairs

Start / End:

February 2022 / January 2024

Local Counterparts:

▶ Dakar and Kampala municipalities

Budget:

EUR 150.000
