# Green&Healthy BiH

Transition towards  
green and healthy food production  
in Bosnia and Herzegovina

**Country:**  
Bosnia and Herzegovina

## Project Objectives:

The initiative aims to support the transition towards green and healthy agricultural production in Bosnia and Herzegovina and its better promotion at the national and international (EU) markets. This will be achieved by strengthening the capacity of public administration, farmers, and food producers to adopt the EU standards and eco-sustainable production practices and to increase the value of agri-food products at the markets.
