SAFIAL

Institutional strengthening of the
Ministry of Agriculture and Rural
Development for the management
of food safety

Country:
Albania

Project Objectives:

The initiative aims to improve the food quality in compliance with hygiene and health standards by strengthening the ability of the competent bodies (the Institute of Food Safety and Veterinary Medicine, the Albanian Food Agency AKU and the National Veterinary and Plant Protection Authority) to perform controls and inspections on plant material and to operate in the veterinary sector.

Funding:

Italian Ministry of Foreign Affairs and International Cooperation/Italian Agency for Development Cooperation

Start / End:

May 2021 - May 2024

Local Counterparts:

▶ Albanian Ministry of Agriculture and Rural Development (MARD)

Budget:

€ 2.400.000

ANC BiH

Sustainable economic development and environmental protection of Areas with Natural Constraints in Bosnia and Herzegovina

Sustainable economic development and environmental protection of Areas with Natural Constraints in Bosnia and Herzegovina

Country:
Bosnia and Herzegovina

Project Objectives:

The initiative aims to identify and promote the areas with Natural Constraints (ANC) in Bosnia and Herzegovina, as defined by the Regulation (EU 1303/2013), promoting actions based on eco-efficiency, innovation, equal opportunities, and environmental protection through activation, support and consolidation of sustainable rural practices. In this way, it will be possible to mitigate the risks of abandonment of the territory and, therefore, to reduce the risks of desertification and hydro-geological disasters, loss of biodiversity and precious rural landscapes.

Funding:

Italian Ministry of Foreign Affairs and International Cooperation/ Italian Agency for Development Cooperation

Start / End:

2021-2024

Local Counterparts:

► Ministry of Foreign Trade and Economic Relations (MoFTER)

Budget:

EUR 2.400.000
