Build new **institutional networks** promoting **regional cooperation** and developing **policies** for the sustainable growth of coastal communities in the Mediterranean region and Africa.

ADVANCED SPECIALIZED COURSE

SUSTAINABLE DEVELOPMENT OF COASTAL COMMUNITIES

The International Centre for Advanced Mediterranean Agronomic Studies - Mediterranean Agronomic Institute of Bari (CIHEAM Bari) is launching the fifth edition of the high-level Advanced Specialized Course on Sustainable Development of Coastal Communities, in collaboration with the Food and Agriculture Organization (FAO) and the General Fisheries Commission for the Mediterranean (GFCM) and funded by the Italian Cooperation.

This course aims to strengthen the capacities of participants (policy makers, managers, ministerial officials etc.) offering a comprehensive view of Blue Economy, with a special focus on the design and management of initiatives for the sustainable development of coastal communities. Participants will be nominated by the competent Ministries of their countries.

PROGRAMME 2024:

- ✓ **UNIT A.** INTRODUCTION TO THE PRINCIPLES OF SUSTAINABLE DEVELOPMENT OF COASTAL COMMUNITY
- ✓ **UNIT B.** METHODOLOGIES AND TOOLS FOR DESIGNING AND PLANNING DEVELOPMENT ACTIONS IN THE COASTAL AREAS
- ✓ **UNIT C.** STRATEGIES AND COMMON PLANS FOR COASTAL MANAGEMENT AND INTEGRATION OF COASTAL ACTIVITIES
- ✓ **UNIT D.** FOOD SECURITY AND QUALITY, FISH PROCESSING, TECHNOLOGIES AND VALUE CHAIN
- ✓ **UNIT E.** COASTAL COMMUNITY RESILIENCE: THREATS AND POSSIBLE SOLUTIONS

CLOSING CEREMONY

It will be held with high-level decision makers (country project coordinators and authorities) at the end of the course. Participants will be awarded a Certificate of Attendance accompanied by a transcript of records.
